Self-Reliance through Shelter*

## **Houston County Habitat for Humanity Veterans Build**

Dear Community Partner,

Houston County Habitat for Humanity will be hosting its **2<sup>nd</sup> Annual Veterans Day Gala** on **Saturday, November 10, 2018 at the Museum of Aviation.**

This fundraising event will be in support of Habitat's Veterans Build, a program that brings needed services to veterans and their families in Houston County in need of affordable housing and critical home repair. Today, over 1.4 million veterans are living in poverty because of the high cost of housing, despite having access to VA loans and other assistance.

In order to ensure the success of this very important fundraiser, **we are seeking up to \$10,000 in contributions by July 31<sup>st</sup> to help defray the costs associated with the event**, so that all funds raised can go directly toward the veteran community.

We cordially invite you to join us for a delicious dinner and dance to "music through the decades" as we welcome to the stage this year the ***Georgia Big Band ft. former Miss America Betty Cantrell!***

Generous donors like you are the key to our success and make it possible for Houston County Habitat programs to empower families to continue improving their living conditions and provide a better future for their children. We feel that this is one of the most important impacts of our work—the ability to begin to break the cycle of poverty and dependence that is so detrimental to our society.

Since 1991, Houston County Habitat has built 57 homes and served over 200 individuals with home repairs. As we wrap up our 2018 Veterans Build home for veteran LaShunna and four children who lost her home to a fire, we hope that we can count on your support to help us continue our success.

Please find enclosed sponsorship levels and benefits for this event. Please mail your donation designated "**Veterans Build Gala**" to P.O. Box 7506, Warner Robins, GA 31095 or call (478) 328-3388 to pledge your support. You may also donate online at [www.hocohabitat.org](http://www.hocohabitat.org).

We thank you for your time and consideration.

Sincerely,

Cheryl Glover  
Resource Development Director
